DISCLAIMER

This competition is not affiliated with or sponsored by Riot Games, Inc. or VALORANT Esports.

This event will follow Riot Games, Inc licence type “Small Event” guide lines.

Definition

- **Slot:** Number of available space for players
- **Round:** Stage of the tournament.
- **Match:** Number of game that will be played per round
- **Group:** Definition of 10 player that will be allocated before the start of the event
- **Point:** Number of kill done, **1 kill= +1 point // 1 death= -1 point**

Format

- **Deathmatch over 3 Rounds with total of 30 slots**
 - **Round 1: 1 Match** - 3 groups with 10 players each.
 - **Round 2: 1 Match** - top 6 players of each group from round 1.
 - **Round 3: 3 Matches** - top 3 players of each group from round 2.

The tournament will be open to 30 slots, who will be divided in 3 groups with 10 players each: group A, group B, group C.

All matches will be played as scheduled and only one group at a time, to guarantee the streaming of the matches.

- **Round 1:** Each player will join in the match of allocated group (A, B, C) by playing a BO1 deathmatch. At the end of the match, the top 6 players of each group will access the 2nd Round.
 - **Final score Round 1 = in game leaderboard of the match**
- **Round 2:** Each player will join in the match of allocated group (A, B, C) by playing a BO1 deathmatch. At the end of the match, the top 3 players of each group will access the 3rd Round.
 - **Final score Round 2 = in game leaderboard of the match**
- **Round 3:** The top three of each group from 2nd Round will merge in a single group with a total of 9 players who will play 3 games in deathmatch (BO3). The score system applied on round 3 is:
 - **Final score Round 3 (BO3) = match 1 + match 2 + match 3**

In case 2 or more players will have the same final score, will be considered as final score the number of the kills minus the number of the deaths (K-D):

Example same score:

Player A: 10 kills/3 deads ; Player B: 10 kills/2 deads = Player A 10 - 3 = 7 ;

Player B 10 - 2 = 8 → Final score Player A = 7 points and Player B = 8 points

The winner will be Player B
